

Small changes add up:

Find simple ways to save for the future

Weekly

Pack your lunch

\$10 per day **saves**
\$2500 per YEAR

Fast isn't always convenient. A \$10/day lunch habit is costing you \$2500/year.

Coffee junkie?

\$3.50 (16 oz.) per day
saves \$182 per YEAR

Cut back just 1 cup from a coffee shop per week.

Monthly

Match your makeup

In-store trials and samples can let you check how makeup looks against your complexion before you buy it, saving you wasted cash.

Trim your memberships

Unused subscriptions add up, so start making cuts.

\$10/month = \$120/year.

Girl's night in

Take turns hosting instead of going out, and have everyone bring a snack.

\$50 night out/month
adds up to \$600/year

Download digital **brandSAVER** coupons to your store card to save money on household essentials.

Now, invest it.

With a 7% return, the \$3076 in savings/year listed above could be worth almost \$126k in 20 years.

Pay down debts faster

Rounding up your monthly payments to the next even number can make a huge difference over the life of your loan.

Yearly

Wash on cold

The average household will save \$214/year in energy costs by switching to mostly cold laundry cycles.

cold water =
\$214 per year **saved**

Tide Plus Coldwater Clean is specially formulated for cold water, so you can get the same clean using less energy.
